

# Middleton Public Library Origami Workshops

The unique art of paper folding comes alive when acclaimed origami artist **Ruthanne Bessman** offers a series of 20 free origami workshops at the Middleton Public Library starting September 19. All ages are invited to attend and learn the traditional Japanese art of folding paper. Be among the hundreds of participants who will create a sample origami model to take home and a second piece that will be incorporated into a community origami mural to be permanently installed at the Middleton Public Library. Over 1,000 units will be folded from colorful papers that will be transformed into a variety of geometric shapes that will culminate in a spectacular mural designed by Ms. Bessman and Wisconsin Public Television set designer Shirwil Lukes.
